**Classes highlighted in yellow are electives.**

To see what team your student is on, reference the [Staff Contact List](#) document on the CMS website. Based on what teachers your student has (see their schedule), you can see what team they are on.

- **Synchronous Learning** occurs at the beginning of every class period including community for a minimum of 20 minutes via Zoom platform.
- **Asynchronous Learning** occurs the rest of the period.
- Most of a scheduled period is considered teacher facilitated learning. This includes teachers facilitating peer-to-peer conversations.
- **Wellness** for all students occurs during community for 55 minutes and lunch for 30 minutes. The remaining 35 minutes (for a total of 2 hours) are at the end of the day with an opportunity to engage in applied learning time as well.
- **Applied Learning** can occur, in part, during the last hour of the day. Additionally, teachers will be available during this time to support students in an asynchronous format and available upon request by students or families. These are considered office hours for teachers. Most of students' applied learning will take place on Wednesdays.
